EMPIRE CITY RACE TRACK, YONKERS, N. Y., Sept. 11.—The second day
of the grand circuit drew a much larger
attendance than yesterday. The star
event of the week, the 2.65 pace, with
such good ones as Roan Wilkes, Connor
and Island Wilkes, was scheduled. The
sky was lowering and the day sultry
with but the slightest breeze stirring
and the conditions were admirable for
fast time in the various heats.

The Ideal cotton market opened with
full activity but less excitement this

Hooling to 19 points. The
local market did not make a full response, although strong and from 9
to 16 points higher.

Most of the buying was done in Liverby Most o

and the conditions were admirable for fast time in the various heats.

The stewards of the meeting are investigating the running of The Private vesterday. This gelding driven by Mr. Foote finished far in the rear in two of the heats of the 2.30 pace, yet was apparently able to win out in three other heats by a comfortable margin.

The services of Starter Fitzgerald were not available to-day owing to his presence at Gravesend, and as a resuit of pyramided cotton.

The public and inside long interests seemed to fear another collands interests seemed to fear another collands interests seemed to fear another collands interests seemed to take profits.

This selling movement, together with the later heavy drop in the Liverpool market of from 15 to 18 points, broke the local market.

Speculation was not ad heavy. Many operators unloaded in the excitement stad been overdone and fearing a crash of pyramided cotton.

presence at Gravesend, and as a result of Pyramided cotton.

the starting was not up to yesterday's standard.

The first heat of the 2.09 pace was won rather handliy by Harry O., driven by Hogast. He took the lead at the half and was never headed, beating out Flirt, over-selling, and this, coupled with the U. 3.

victories on other tracks, made his field look like coits and raised his class to 2.14. Tiverton was second and Dolly Bidwell third.

As was expected, Major Greer had the speed of his field in the second heat of the 2.30 trot, and Mr. Wallace brought him in half a length in front of Dolly Bidwell, who just mansaged to beat out Kalevala by a scant head. Time—2.14 1-2.

The taient experienced an upset in the third heat of the 2.00 pace. Fanny Dilard, who finished in the ruck in the previous heat, came on with a rush and heat out Harry O., the favorite, by half a length. Fiirt, who led to the half, broke near the seven-furlong pole and crossed under the wire a nose behind. Time—2.08 1-4.

The third and concluding heat of the 2.30 troat was won by Major Greer in masterly fashion, making three straight heats for this grand chestnut horse. An open length seps ated him from Dolly Bidwell, second. Springdale, hard driven. — naged to squeeze in for third place. (i.me—2.14.

The fourth heat of the 2.00 pace was won by Fanny Dillard after a driving finish, with Will Leyburn second and Sidney Pointer, half a length back, third. Time—2.07 1-4.

The star event of the week's racing, the 2.66 pace, brought out four speedy ones, Baby Ruth, Connor, Royal R. and Frank Bogash. Connor was a slight favorite, because of his excellent work at Hartford last week. Starter Coleman kept them at the post for fully fitten minutes before sending them off to a fine start. Bogash took the lead and held it to the eighth pole, when Connor came up on the inside and set the pace to the half, when Royal R. Sheldon was a head in front of Frank Bagash. The half was negotiated in 1.01 and the full mile in 2.03 1-4.

There was something doing along ise inte in the fifth heat of the 2.00 pace. Fanny Dillard, who won the two previous heat, was giver a liberal price by the booktes, and Harry O., who had won the first two heats, was also well treated. Will Leguar half was dragsing a sulky with but one wheel and Harry O., second favorite, had a tire off the
